

The logo for the Centre for Social Innovation features the text "CENTRE FOR SOCIAL INNOVATION" in a bold, blue, sans-serif font. The text is centered within a circular emblem composed of several overlapping, thin, light green lines that create a complex, web-like pattern.

CENTRE FOR SOCIAL INNOVATION

MENU

WELCOME

The Community Bond is an innovation in social finance that allows a nonprofit or charity to leverage its community of supporters to pursue its mission, build its resiliency, and create more vibrant communities.

CSI is currently offering a new real estate investment with social impact. Visit the [CSI Community Bond page](#).

On this site you can learn about how the Centre for Social Innovation raised \$2 million toward the purchase and renovation of a 36,000 square foot building in a whirlwind eight months, find out if Community Bonds could work for your organization, purchase the do-it-yourself guide book and templates, interact with other social innovators, find community investment opportunities, and more.
